PROPHECY CONCERNING EGYPT

Egypt is the gateway to the world. Out of Egypt the glory will come forth unto the Muslim nations of the world. For though the world did forget them, I have remembered them, says the Lord. I made a covenant with that people declaring that I would heal them and bless them.

Now is the time for Egypt to break forth free from the spirit of Pharaoh. For this is the hour for nations to come forth.

When other nations see that which I will do in Egypt it will provoke them to jealousy. When they see My favor upon a people whom many had thought there was no hope, they will turn to Me by the multitudes and cry out unto Me for their deliverance.

Did I not say that the earth would be filled with My glory? So shall it be. Get ready. Get ready. Prepare for the masses, for they are coming in, says the Lord.

Rejoice, rejoice O, Zion for your hour has come. Prepare to reap a harvest unlike anything you can imagine. For out of Zion there shall go forth praise.

Hear and be glad. Your hour has come. Prepared to reap a harvest unlike anything you can imagine. For out of Zion shall go forth praise.

Hear and be glad. Your hour has come. For once more I declare to you that a nation shall be born in a day. Leaders of what has once been heathen nations, shall stand and declare that they are a Christian nation.

Shepherds weep between the porch and the altar. Rend your hearts and not your garments. Come back to the place I have called you. Let My anointing break the yoke off your shoulder. Then will you hear from heaven and once more you will know the way of the Lord.
